Background

[Audit # A201009/Q/3/P21001](#) issued March 30, 2021

- Develop and implement a plan to remove current solicitation language that does not require contractors to submit a Commercial Sales Practices (CSP) disclosure under SIN 33721P, Packaged Office Furniture.
- Develop and implement controls to ensure compliance with [Federal Acquisition Regulation 15.4, Contract Pricing](#); [GSA Acquisition Regulation 538.270, Evaluation of Federal Supply Schedule \(FSS\) offers](#); and *FAS Policy and Procedure 2018-03, Proper Documentation of Price Analysis Decisions – Federal Supply Schedule (FSS) Program.*

Solution?

Contractor Teaming Arrangements

CTAs

Why CTAs?

- Improved compliance with identified regulations: Federal Acquisition Regulations 15.4, Contract Pricing; GSA Acquisition Regulation 538.270, Evaluation of Federal Supply Schedule (FSS) offers; and FAS Policy and Procedure 2021-05, Evaluation of FSS Program Pricing.
- More accurately define how the program operates by formally defining each party's relationship, roles, and responsibilities
- Allows the program to remain largely intact, with minimum disruptions and changes in stakeholder practices, while bringing the program into compliance with the above regulations.
